So much is happening this month! We start off with learning about the different prints in our lives so be sure they have brought in their environmental print homework. Next, we celebrate Mother's Day with a special "Mother's Day Tea". Moms, be sure to join your child this day as they praise all you do! Pre-S and Pre-K have their field trip on 5/15 at the Turtle Back Zoo. The children are already talking about it in anticipation of this fun and exciting day! The next day is our Bike-A-Thon where they will bike to raise money for St. Jude. Be sure to drop off their bike and helmet that morning. And finally, our School Spring Concert will be on Wednesday, 5/23. Note that Pre-S and Pre-K will be performing at the 1:30pm show only.
